THANKSGIVING DAY

WAS OBSERVED AND WEATHER WAS IDEAL.

UNION CHURCH SERVICE

Held in the Morning and Report of Charity Board Made—Elks Fed Seventy-Four Children.

A special union service at the First Presbyterian church yesterday morning, featuring a liberal offering for the poor, gave Thanksgiving day a fitting observance.

This service was well attended. On account of the absence of the Rev. S. D. Harkness, president of the Ministerial Alliance, who conducted a Thanksgiving service at Harmony church, the Rev. R. L. Finch presided. A splendid sermon on "The Fundamental Laws of Thanksgiving" was delivered by the Rev. Lewis M. Hale, pastor of the First Baptist church. Mrs. Fred P. Robinson sang a solo, "A Song of Thanksgiving," Galbreath, and the Rev. J. H. Hubbard, pastor of the Buchanan Street Methodist church, conducted the prayer service.

The annual report of the Maryville Charity board was submitted for reading, the report giving an itemized account of all moneys received and disbursed by the board for the year beginning November 20, 1913 and ending November 24, 1914.

This report shows a total amount received of \$161.60 for the year. This amount includes \$19.55 on hand, \$112.00 donations received from the Elks lodge and the balance from other benevolences.

The total disbursements, which are separately itemized in the report show an expenditure of \$101.15, leaving a balance for the new year's work of \$60.45. To this amount will be added the collection taken yesterday morning at the union service which was \$25.43.

The Maryville Charity board is a community organization doing its work with no official help from the city and only through a spirit of personal benevolence. The report of last year shows numerous charities and a wise expenditure of the money given them. This report covers the amount of funds given through the board as an association only, and takes no cognizance of individual benevolences. The board is composed of Mrs. J. D. Frank, Mrs. G. A. Nash, Mrs. Alice Perrin, Mrs. C. H. Colbert and Miss May Orear.

The Elks' Dinner.
The third annual Thanksgiving dinner given at the Elks club, was a great success in every way and was attended by seventy-four children of the city. The dinner was held in the dining hall of the club, the usual "cats" were served and each child was given candy to take home.

The children came to the club about 12 o'clock and were taken to the lodge hall where they played until the feast was ready. The dinner was in charge of Dr. H. L. Stinson and the ladies assisting were: Miss Ada Albert, Mrs. G. A. Nash, Mrs. Clara Sturm, Mrs. L. E. Forsyth, Miss Jennie Garrett and Miss Mae Orear.

The children had a great time and seemed to be filled up when they left the table. The dinner was inaugurated two years ago, forty-five children attending the first dinner. They have been a great success and are much appreciated by the children.

AT HARMONY CHURCH

Many in Attendance at the Services and the Dinner—Rev. S. D. Harkness Preached the Sermon.

Thanksgiving was observed by the people of Harmony community with church services in the morning at 11 o'clock and with a dinner after the services in the basement of the church. The sermon was given by Rev. S. D. Harkness, pastor of the First Presbyterian church of this city. A big crowd was in attendance at both the services and dinner, being the largest crowd ever had on a Thanksgiving day at Harmony.

In the afternoon, a pony race for little children was had and also a shooting match for the men. A number of pictures were taken of the children and babies.

CATHOLIC CHURCH DEDICATED

Many From Maryville Were in Attendance at the Ceremonies Held at Stanberry Thanksgiving.

The dedication of St. Peter's church at Stanberry yesterday was a success in every way. The Knights of Columbus and other Maryville people who went to Stanberry on the special train chartered for the occasion report, that a crowd of over a thousand people were in attendance many of whom were unable to find room in the church during the dedication ceremonies.

The Rt. Rev. Maurice F. Burke, of St. Joseph presided and was assisted by a number of priests from neighboring parishes.

The special train left Maryville at 8:45 a. m., carrying about 300 people. The Maryville band accompanied the delegation and furnished music throughout the day. Upon arriving at Stanberry, the train was met by automobiles and the visitors were shown over the town, the Knights of Columbus and the band marched in a body to the church. The dedication ceremonies proper commenced at 10 o'clock.

At the close of the services, the ladies of the church served dinner in the Modern Woodmen hall to about 600 people.

During the afternoon picture shows opened and for those who would rather be out of doors there were waiting autos to take them for a spin.

Beginning with yesterday the ladies of the church commenced a bazaar which will continue the rest of the week.

The Rev. Father Coll, priest of St. Peter's parish and the Knights of Columbus wish to thank every one who helped to make the dedication a success, and for the very liberal offering which was given during the morning services.

Total, \$977.79.

The special \$100,000,000 war tax passed by congress October 22, and effective November 1, 1914 to December 31, 1915, will cost Maryville business men several thousand dollars, according to estimates based on business done the past year. Many of the banks, theaters, and cigarists of this city already have made payment for the initial eight months or until June 30, next year. Most of these sent in the tax the last three days.

While every individual will be affected either directly or indirectly by the tax, the banks, saloons and pool hall proprietors will be hit the hardest by the special levy. The payments by local dealers are being made by George C. Toel, of St. Joseph, deputy internal revenue collector for this district.

Causes Confusion.

C. G. Burton, of Kansas City, is revenue collector for this district. Mr. Toel was in the city last week to arrange for receiving tax payments and will return again within a few days to make further explanation of the plan to dealers. The new war tax and its complications have caused considerable anxiety and confusion among those subject to the tax.

The new law provides that if payment for the initial eight months is not made prior to December 1, a 50 per cent penalty may be attached, and a fine of \$500 and imprisonment of six months may be made upon failure to abide by certain rulings of the new law. The Maryville business houses directly affected by the new war tax include the four banks, all insurance agents, the thirty-four retail cigar dealers, the three theaters, four pool and billiard halls, one bowling alley, three cigar manufacturers, one tobacco manufacturer, two saloons, drugists, and chewing gum stands.

Affects Gum Chewers.

Those indirectly affected by the new tax include all telephone and telegraph users, express and freight shippers, railroad passengers, gum chewers, tobacco smokers and chewers, pool and billiard players, bowlers, theater patrons, drinkers of intoxicating liquors (except whiskey) users of perfumes and cosmetics and toilet preparations, insured persons, and all having any banking or legal business to transact.

A partial list of the legal papers and instruments that will be taxed after Monday are:

Telephonic communications (long distance) costing more than 5 cents, 1 cent tax.

Telegraph dispatches exceeding cost of 15 cents, one cent tax.

Express shipments exceeding 5 cents charge, one cent tax.

Bill of lading, one cent stamp on each bill.

Insurance policy, one-half of 1 cent on each \$1 of premium charged.

Telegraph or telephone messages, when charge exceeds 15 cents, tax of 1 cent on each message.

Power of attorney (ordinary), 10 cents.

Power of attorney for conveyance of real estate, collection of rents, dividends, etc., 25 cents.

Deeds to real estate, 50 cents for each \$500 value.

Promissory notes, 2 cents per \$100 value.

Transfer of stock certificates, two cents per \$100 value.

Protest on notes, checks, etc., 25 cents.

Order Tax Stamps.

The First National bank has ordered \$99 worth of war tax stamps for the accommodation of patrons in drawing up banking and legal instruments. The Farmers Trust company also has ordered \$10 worth of the stamps to start.

They are in denominations ranging from 1 cent up to \$1, though most of them are of the smaller denomination. The tax on banks and trust companies is based on their capital, surplus and undivided profits, the rating being \$1 a year tax on each \$1,000. It became effective after November 1. The theater rates are based on the seating capacity. The proprietors of pool and billiard, tables and bowling alleys, are charged \$5 a year on each table or alley.

Pay According to Output.

Cigar and tobacco manufacturers must pay according to annual output, based on figures of the last year's production. The retail cigar and tobacco dealers must pay \$4.80 a year where their sales exceed \$200 a year. As the sales of all Maryville tobacco dealers does exceed that amount, they must pay \$3.20 for the first installment of eight months. Most of them have yet to make payment.

Dealers in intoxicating liquors like beer, wines, champagne and cordials pay the tax according to amount of sales. A barrel of beer is taxed \$1.50 if it does not exceed thirty-one gallons. Other drinks are taxed by pints, quarts, etc.

Tax Toilet Goods.

Perfumes, cosmetics and other toilet preparations are taxed in a similar manner. Every dollar's worth of chewing gum is taxed four cents.

Passengers to foreign ports are taxed by ticket value and occupiers of parlor seats and sleeping car berths on passenger trains, must pay taxes ranging from one cent up.

A tax on all freight shipments and bills of lading thereof also is made of one cent. The railroads have notified agents that the shipper must bear the brunt of this. The revenue from insurance premiums amounts to one-half of a cent on each dollar of premium.

The war tax applies to the following trades in the following amounts:

Brokers, \$30.

Pawn Brokers, \$50.

Commercial brokers, \$20.

Custom house brokers, \$10.

Proprietors of theaters, museums, picture shows or concert halls, \$25 to \$100.

BATTLE SHIP SUNK

TERRIFIC EXPLOSION DESTROYS BULWARK—12 OF CREW SAVED

GERMANS ARE ROUTED

Report Gives Surrender of German Army at Lodz Russians Donbling Efforts.

(By American Press.)

Sheerness, England, Nov. 27.—The British battle ship Bulwark which was destroyed by a terrific explosion as she lay off the coast here yesterday had only twelve of her crew of 700 or 800 saved. The ship was so close to shore that many houses were shaken by the explosion. The ship sank instantly and when the smoke cleared away there was only a handful of men left struggling in the water. Pieces of the ship were thrown for six or seven miles back on the shore.

The Bulwark was at one time the flagship of the English navy and while not a modern fighting ship, the loss will be material to the English navy.

Paris, Nov. 27.—Telegrams from Petrograd regarding the fighting around Lodz in Russian Poland say that one German army corps was surrounded by the Russians and surrendered in a body. This represents 50,000 prisoners. The Russians also claim that other German army corps were put to route. The Russians are redoubting their efforts along the Czenstochowacracow line.

Without any declaration of war a general movement was noted Thursday against Turkey with tremendous losses to her ranks.

The United States, among numerous other things, had reason to be thankful for turkey. Then there are chickens both feathered and furred.

After having been cleaned up, fumigated and ventilated, for several months Vera Cruz is now left to the tender mercy of her own people. When the word gets around showing what an advantage American occupation war to that city, maybe they will want us to take charge of whole Mexico, or what is left after Carranza get through.

Cause for Thanksgiving.

The American people have reason this year to be truly thankful for many things. Among them are the following:

For the peace which prevails within our borders.

For the prosperity which enables us to succor the victims of war in less happy lands.

For the courage and wisdom of the fathers of the republic, who freed this land from the overmastering curse of the "divine right" of kings.

For President Woodrow Wilson. May the nation so live and work as to deserve the good fortune it enjoys.

SIMPLE BUT SURE

Hyomei the Great Catarrh Remedy—
"Just Breathe It" and Be Cured.

Do not try to cure catarrh, head colds, or snuffles by taking drugs. These common but dangerous ailments that often cause the loss of hearing cannot be cured that way. The common sense method is to breathe Hyomei, which gets the medication right where it is needed to heal the raw and inflamed lining of the air passages. Hyomei is a mixture of antiseptic oils—you breathe it—no bother; no disagreeable medicine; simply use the inhaler a few times daily and this health-giving medication will quickly soothe and heal the irritated tissues, stop distressing, choking and unclear discharges—you breathe freely—dull headaches cease, and every catarrhal symptom soon vanishes.

There is nothing more simple and safe to use, or that gives such rapid and lasting benefit as Hyomei—and the Orear-Henry Drug company sells it on the "no-cure-no-pay" plan.

OPTIMISM.

Optimism is a belief in a great purpose underlying the world for good, absolutely certain to fulfill itself somewhere, somehow. That must have been what God saw when he looked upon the world and called it "good."—Philips Brooks.

Why She Did It.

"Why is it," they asked, "that you let your husband have his own way in everything?" "Because," she replied, "I like to have some one to blame when things go wrong."

FIRE AT MESSENGER HOME.

Estimated Damage to House About \$1000—Household Furniture Was Saved.

Fire nearly destroyed the home of Mrs. Anna Messenger this morning but the valiant work of the fire ladders saved a part of the house. The kitchen roof was in flames before any one noticed it, and nearly all of the roof of the house was burning before the fire company arrived.

The furniture and household goods were all saved and were only slightly damaged by water. The fire had by this time gained such headway that it was only with great difficulty that the firemen saved the structure from being totally destroyed.

It was estimated that the total damage would amount to \$1,000, nearly all of which was covered by insurance. The family moved their household belongings into one of the

Charles Hyslop houses until further arrangements can be made. It is thought that the fire started from a defective flue.

Warning

WE want to impress on every citizen of this great state that we don't believe in special sales, but sell goods every day at the lowest prices guaranteed to give satisfaction or money refunded. The reason why we are willing to take our goods back if not satisfactory is that every thing we sell is worth its purchasing price and the profit so small that we cannot afford to let you keep them if not satisfactory. Our motto is honest goods at the lowest price, no humbug, no misrepresentations. How can you afford to pass us up, we have stood the test and stand upon our past record. All our goods are sold as cheap and cheaper than anyone in Maryville can afford to sell them. Don't forget to give us a look and see for yourself.
